Human Interest Story Ideas: We have a group of young ladies showing for their first time. They are from True Vine in Lawton- volunteers there for rehad riding and take lessons and care for and show the lesson horses. They do fund raisers and go to Shipsee Auction; decide together which horses to rescue from the kill pen, then raise money to train them. 4 or 5 nice horse from the kill pen are being shown by these girls this week. These grils are wholesome, friendly and wonderful!

Please return completed form to the 4-H office as soon as possible. Thank you.
